

obvious need for emphasis on moral character. Grove High School is stepping forward to help students better themselves, their family, their community, and nation with the Character Counts Program. The Character Counts program is built on six basic but vital pillars: respect, responsibility, trustworthiness, fairness, caring and citizenship. Improving these aspects is the goal of the Character Counts students and faculty. It is said "to change or revise a group of people, you must first start with one." Rather than complain about America's moral decay, Character Counts will strive to change it, starting with our school and community. Changing the world is a difficult task, but one worth attempting. With adult support, we can make a difference. If you would like to know more about Character Counts or would like information on taking part, please contact the Grove Public School System. Character Counts is stepping forward! Will you?

After review by teachers and an administrator, student found guilty of plagiarism may be subject to a zero for the assignment. The Final Exams will be given on the last two days of the semester. If the student is not exempt from semester tests then the student is required to attend the study period prior to the exam. Failure to do so will result in the student not being able to take the exam and the result will be a "0" (zero) for the semester exam. There will be no school sponsored activities during the week of semester exams. All Exams will be authentic comprehensive. Students are required to take their semester tests at the scheduled times. Principals may use their discretionary powers to grant additional time for any scheduled semester exam.

At a minimum, the student needs to make the following scores: ACT 19 in each sub-score area. SAT: Combined Math and Verbal score of 900 or above. Qualifying students must write a letter to the district board of education requesting early graduation, Upon approval of the letter the high school principal will make an official recommendation to the school board for final approval. GRADUATION SPEAKERS

In order for a student to speak at graduation, he/she must be a Top Scholar and obtain a score of 30 or higher on his/her ACT by December 31 of their senior year. If no student makes a 30 or higher then the two highest scoring Top Scholar students will

POLICY ON SELECTION OF TOP SCHOLARS

The TOP SCHOLARS are to be determined by the students rank in his/her class on an average point basis. TOP SCHOLARS must earn a 4.0+ GPA on the weighted system. In the event there are not students in the senior class with 4.0 or above averages, the next three highest grade averages will be designated as honor students. Ties in grade point averages could increase the

number of top scholar students under this process. All 4.0 or above seniors, (weighted system) will be considered top scholar students, regardless of the length of time they have been enrolled at Grove High School. A senior student with less than 4.0 cumulative GPA who enters Grove High School must have been enrolled in GHS for two consecutive semesters prior to selection in order to be designated a Top Scholar under the alternated selection process. If a 4.0 or above senior enters GHS in a year there are no 4.0 or above seniors, he/she will be designated an honor student in addition to the three seniors to be selected by the alternate selection process. Physical Education and Music grades will not be used in determining the average points for the scholastic average. Newspaper and Yearbook will receive academic credit only if taught as Journalism.

A weighted grading scale shall be used in determining selection of TOP SCHOLARS.

Classes to be weighted include AP/Honors English, Physics, Chemistry II, Anatomy, Math Analysis, Calculus, Spanish 3/4, French 3/4, and AP American History. In these classes student's grade point will be based upon a percent scale.

90% - 100%	= 5.0
80% - 89%	= 4.0
70% - 79%	= 3.0
60% - 69%	= 2.0

Maintain a GPA of 4.00+. All other students with a GPA of 4.00 or lower and not meeting the curriculum requirements will be ranked after the Top Scholars and be listed as part of the Top Ten Percent or lower.

Top Scholars must complete a minimum of curriculum courses in the following areas to be considered.

Honors English/AP English	3
One Unit of Honors Science	1
One Unit of Honors Level Math	1
One additional unit of honors level curriculum	1

Beginning with the class of 2013, the students who are ranked

at the top of the TOP SCHOLAR designation receive the title of Valedictorian and Salutatorian, respectively. All students receiving the designation of TOP SCHOLAR will be recognized at the commencement ceremony.

CHANGING A CLASS/DROPPING A SUBJECT

Subjects cannot be dropped more than two weeks after the semester begins, unless a parent, teacher, principal and counselor conference is held and all agree to decision reached. If this decision is reached the student will receive no credit for the classes changing into and out of. A student who repeats a class taken previously shall have only the higher grade entered on his/her high school transcript. The lower grade will be entered as "No Credit". Only the higher grade will be included when computing a student's grade point average.

The proper procedure for a student to drop a subject is to get special permission from his or her parents, principal, teacher, and counselor. Any student who drops a subject without this permission will receive an "F" in that subject and his/her parents notified why he/she has failed.

STUDENT ATTENDANCE INFORMATION

Absence is the cause of many of the failures in school. Unless your health forbids or unless some serious emergency arises at home, you should be at school. Parents or guardians of student missing four or more days or parts of days during any four week period will be notified, a copy of notification may be sent to District Attorney's office in attempt to keep truancy at a minimum. Responsibility for making up work lies entirely with you. You should make appointments with your teachers to ascertain just what you are to make up. You assume the entire burden of getting this work done and handed in to your teachers. Punctuality and regular attendance are essential to success in school and later on the job. BE ON TIME AND IN YOUR CLASSES EACH DAY!

ABSENCE & MAKE-UP WORK

The school law provides that all boys and girls between 5 and 18, unless he/she has finished high school, must attend school 90% of the semester period. This allows students to have 9 absences each semester. The attendance office will check all absences and notify the District Attorney's office of any student that is not in compliance with this Compulsory Attendance Law.

Absences because of school activities, illness substantiated by a doctor or dentist note, religious observation of a holiday or those deemed unavoidable by the principal will not be counted against the 90

percent attendance requirement. Extended illness such as chicken pox, mononucleosis, etc., may be marked documented upon immediate notification by a parent/guardian and review of the building principal. Death in family will not count toward the 90 percent attendance requirement. Professional documentation must be turned into the attendance office within 48 hours of the missed school day in order for it to be a documented absence.

If a student is absent from school, it will be necessary for the parent/guardian to notify the attendance office in advance or between the hours of 8:00 a.m. and 3:00 p.m. the day of the absence in order for the student to receive an explained absence for that day. If the parent/guardian is unable to call in advance or between the hours of 8:00 a.m. and 3:00 p.m. on the day of the absence, then the student will be given an unexplained absence for that day and it will be necessary for the student to bring a note (for an explained absence) from the parent/guardian stating the reason for the absence, by 8:20 a.m. on the day of the student's return to school. Upon receiving the note from the parent/guardian, the attendance office will change the absence to explained.

If a student is checked out of school early for any appointment, it will be considered excused. However, if the student is checked out early for a funeral, medical or dental appointment then documented proof must be turned in to the attendance office by the second day of return.

For each day absent the student will be allowed two school days to make up work missed. For each day absent due to scheduled school activities, the student will be allowed one school day for each day missed to make up work assigned while absent from those classes. The student is

responsible for obtaining assignments or tests from the teacher. If a student is present on the day an assignment is given and present on the day it is due, they must turn it on that day, provided the teacher has not presented relevant information during the student's time of absence. A student who has not been in attendance 90% of the grading period (more than 9 absences) will receive an "F" for that class.

It will be the student's responsibility to keep informed of the number of absences they have in each class.

- A. Students should *be prepared* for each class.
- B. Students should *understand and follow* school policies.

DISCIPLINE POLICY

The following recommendations are being made in order to improve Grove School's Discipline Policies. Teachers are to document problems and what steps have been taken to alleviate the problems. Steps should reflect assertive discipline techniques. Teachers should document steps in writing and have the student sign a behavioral modification contract indicating specific changes required. At the end of each school day, teachers will send a discipline form to the

assistant principal.

If the above procedure fails and the student is sent to the principal's office, the following steps should be taken:

First Offense: Written notification will be sent to the parents/guardians followed with a consultation with a counselor. According to the adopted Discipline Policy Action Schedule, any combined steps may be used based upon the infraction.

Second Offense: Written notification will be sent to the parent/guardians followed with a consultation with the counselor. Student will be assigned to a.m. or p.m. detention or In-School Intervention. Based on the infraction, the principal retains the right to use any step in the Discipline Action Schedule.

Third Offense: Written notification will be sent to the parents/guardians followed with a consultation with a counselor. Any step may be used in the Discipline Action Schedule excluding corporal punishment.

Fourth Offense: Parents/guardians will be called to pick up their child immediately. Pursuant to 70 O.S. 6-114 as amended by the Oklahoma legislature, the Grove Board of Education has adopted the following policy for the control and discipline of all children attending this school. The parent or guardian of every child attending this school may receive a copy of the policy if they so request.

In response to the legislative call, Grove Public Schools has drafted a Discipline Action Schedule. The intent of this schedule is to provide students with a definition of the limits of acceptable behavior and

to equip school personnel for their disciplinary responsibilities.

Nothing in this discipline schedule shall be construed to deny the student's right to fair and orderly hearings, appeal, counsel, and due to process in cases, which may end in suspension.

The principals will have the authority to remove or suspend any student for a violent act or an act showing deliberate or reckless disregard for the health and safety of faculty or other students.

DETENTION

Students missing school time because of truancy or cutting class will be placed in Saturday detention or ISI according to the GHS discipline policy.

Parents of students riding the bus will be responsible for arranging transportation for those students receiving detention. When assigned to detention the student must report to the class on time, remain seated for the duration of the period, and work on academic assignments or write sentences the entire time. If a student is in attendance at school on the day assigned to detention, he/she must report to detention class. Detention was created to avoid some suspension, but if the student does not comply with the detention rules he/she will face ISI or suspension. AM detention starts at 7:40 and runs to 8:10. PM detention starts at 3:20 and runs to 3:50. Noon detention starts runs throughout the students lunch period.

ISI Rules

1. The length of ISI shall be a minimum period determined by the

administrator. The period of ISI may be extended at the discretion of the ISI instructor with the concurrence of the administrator. Such extension shall be made only after careful evaluation of the student's behavior.

2. Students who are assigned to ISI shall bring all books and materials to ISI.

3. There shall be no excused tardies. Tardies will result in additional days of ISI.

4. Any absences must be explained by phone or in person by the parents to the administrator. Notes will not be accepted. Unexplained absences will result in the following disciplinary action:

a) 1st unexplained absence - two additional days of ISI

b) 2nd unexplained absence - three day suspension from school and completion of ISI time upon return

c) 3rd unexplained absence - suspension from school for the semester

5. Talking, looking around and distracting others is not permitted and students must raise their hand to leave their seat. Failure to do so will result in additional days or suspension with remaining ISI time being completed upon return to school.

6. ISI begins at 8:20 a.m. and ends at 3:15 p.m. Any student that checks out early will be issued additional time.

7. It is the parents' responsibility to transport their student to and from ISI. They will not be allowed to ride a bus. Failure to be picked up by 2:45 p.m. will result in immediate suspension.

8. All work must be completed in ISI and will not be taken home for homework, unless the teacher, ISI instructor and principal's office gives special permission. If assigned work is not completed, additional ISI time will be given.

Once all assignments are completed, students will be given supplemental assignments by the ISI instructor to remain busy the entire day. Students do not

reserve the right to refuse work sent by the classroom teacher or the ISI instructor. Failure to remain busy the entire day will result in additional ISI time or suspension with ISI time being completed upon return to school.

13. Students that are a discipline problem or violate ISI rules while assigned ISI may receive up to a three-day suspension and upon returning from that suspension, the ISI time will be made up.

1. Willful violation of any published regulation for the student conduct adopted or approved by the Board of Education, or

6. Willful destruction or theft of any property belonging to the school, other students, or school personnel.

SUSPENSION POLICY OF THE GROVE SCHOOL BOARD

The judicial extension of Fourteenth Amendment protection to students in the public school emphasizes the need for school administrators to protect the procedural due process right of students in discipline cases. The policy of the School District must be consistent with the due process right of students and must provide proper machinery for fair and consistent treatment of students.

Pre-Suspension Conferences:

1. When a student violates board policy or a school rule or regulation, the principal will conduct an informal conference with the student.
2. At the conference with the student the principal will read the policy, rule or regulation which the student is charged with having violated and will discuss the conduct of the student which is a violation of the policy, rule or regulation.
3. The student will be asked whether he/she understands the policy, rule or regulation and be given a full opportunity to explain and discuss his/her conduct.
4. If it is concluded that a suspension is appropriate, the student will be advised that he/she is being suspended and the length of the suspension.
5. The principal will immediately notify the parent by phone and in writing that the student is being suspended from school by the principal. Elementary and middle school students will not be dismissed before the end of the school day without advance notice to the parent.

Immediate Suspension Without a Pre-Suspension Conference:

1. A student may be suspended without the above pre-suspension conference with the student only in situations where the conduct of the student reasonably indicates to the principal that the continued presence of the student in the building will constitute a danger to the health or safety of the students, or to school property, or a continued substantial disruption of the educational process.

2. In such cases, a suspension conference with the student and the parent or guardian will be scheduled as soon as possible after the student has been removed from the building.

Further review of the suspension policy is available in each principal's office.

Section 1 - Semester Grades

- a. A student must have received a passing grade in any five subjects counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. (This requirement would be five school credits for the 7th and 8th grade students.)
- b. If a student does not meet the minimum scholastic standard, he/she will not be eligible to participate during the first six weeks of the semester they attend.
- c. A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- d. Pupils enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the preceding semester should be obtained from the records in the

school last attended.

Section 2 - Student Eligibility During The Semester

- a. Scholastic eligibility for students will be checked at the end of the third week of a semester and each succeeding week thereafter.
 - b. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of a week, they will be placed on probation for the next one-week period. If a student is still failing one or more classes at the end of his probationary one-week period they will be ineligible to participate during the next one-week period. The ineligibility periods will begin on Monday and end on Sunday.
 - c. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under rule 3 with the first class of the new one week period (Monday through Sunday).

- ##### **Section 3 - Special Provisions**
- a. A 12th grade student may maintain eligibility if he/she is passing the classes required for graduation. The number of classes can be no less than four. A 12th grade student who is concurrently enrolled in high school and college may use the college courses to meet the minimum number of four subjects needed to maintain eligibility. These may be a combination of high school and college subjects equivalent to four high school units which are accepted by the Oklahoma State Department of Education (physical education and athletics cannot be included in the four requirements).
 - b. An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of

three weeks. A student may regain his/he eligibility by achieving the scholastic standard in Rule 3, Section 2-b at the end of a three-week period.

c. Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision (Rule 3, Section 3-c) if the incomplete grade was caused by an unavoidable hardship. (Examples of such hardship would be illness, injury, death in family and natural disaster). (Board policy allows a maximum of two weeks to apply this exception).

d. One summer school credit earned in an Oklahoma State Department of Education accredited program may be used to meet the requirements of Rule 3, Section 1-a for the end of spring semester.

SCHOOL BULLYING AND PREVENTION ACT

The Oklahoma Legislature's 2002 session included passage of the *School Bullying and Prevention Act*. Senate Bill 992 is codified as 70 Okla. Stat. os 24-100. This policy is to prevent harassment, intimidation, and social, physical, emotional, gender, or sexual orientation bullying in an effort to "create an environment free of unnecessary disruption" and requires districts to actively pursue programs for education regarding bullying behaviors.

The *School Bullying Prevention Act* defines the terms "harass, intimidate, or bully," as including, but not limited to, any gesture, written or verbal expression, or physical act that a reasonable person should recognize will:

1. Harm another student
2. Damage another student's property
3. Place another student in reasonable fear of harm to the student's person or damage to the student's property; or
4. Insult or demean any student or any group of students in such a way as to disrupt or interfere with the school's educational mission or the educational mission of any student.

In 2008, the Act was amended to include bullying through electronic communication which includes any written, verbal, pictorial information communicated by telephone, cellular phone, or computer, popularly known as cyberbullying. Threatening behavior, harassment, intimidation, and bullying by

students at school and by electronic communication, whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school, or interferes with the educational process or causes a disruption to the school day, the student will be subject to disciplinary action that may include detention, ISI, or an out of school suspension.
70 O.S. § 24-100.3, S.L.O. §487.1

Student Reporting: Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying.

Parental Reporting: Parents/guardians will be informed in writing of the District's program to stop intimidation, harassment, and bullying. An administrative response to a reported act of intimidation, harassment, or bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs
2. Take advantage of school opportunities to talk with counselors, administrators, teachers and RAP advisors
3. Inform the school immediately if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a victim of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Further information on the *School Bullying Prevention Act* is available upon request in the office of the principal.

We never refuse to allow a child to call home if he/she states that a parent has requested this. Please make sure you give us your current phone numbers in case we need to contact you. If you have any questions please contact the

The Grove School District hereby notifies parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records under the Federal Educational Rights and Privacy Act (FERPA). These rights are:

1) The right to inspect and review the student's educational records within 45 days of the day the District receives a request for access. In addition, two federal laws require local educational agencies (LEA's) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories-names, addresses and telephone listings-unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

After the parents or eligible students have been notified they will have two weeks to advise the school district in writing (a letter to the school Superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about that student. Help Find Handicapped Children

Any parent who resides in the Grove School District and who suspects their child to be handicapped and that child is not presently involved in school should contact the Office of the Superintendent of Schools.

The Bureau of Education for the Handicapped under Public Law 94-142 and P.L. 101-476 provides that Public School shall be responsible for the education of handicapped children age 0-21, regardless of the handicapping condition.

The child is considered handicapped if physically, emotionally, and/or intellectually impaired to such an extent that without the aid of special facilities, care, and methods, may not be able to function in a manner similar to that of other children not so impaired. Grove Public Schools would appreciate contact from parents, patrons and any persons who has knowledge of any child who needs this kind of help.

If you know of a Handicapped Child (age birth to 21 years) not receiving a free public education, please call 918-787-5208 or write to Rebecca Mease, District Special Services, Grove Public Schools, PO Box 450789, Grove, OK 74345.
